# 47th Terrell Invitational TOURNAMENT RULES

- The participants in the TERRELL INVITATIONAL TOURNAMENT must be a member of the USBC. Proof of membership must be provided if not shown on Bowl.com or bowler will be required to purchase new membership. The tournament shall consist of Open five-member team event; doubles event; singles event; and all-events. Teams may be comprised of 5 Men, 5 Women or any combination (mixed). Doubles may be 2 Men, 2 Women or Mixed. No singles only entries permitted; singles must be bowled in conjunction with a doubles entry and shall be bowled with first scheduled doubles of tournament (if multiple doubles with same paid entry, singles shall be bowled with first doubles). The tournament will be bowled with doubles event first; then singles. There shall be 10 minutes practice prior to team and doubles events.
- Team, Doubles, Singles and All-Events will be on a handicap basis. Optional Scratch events are available see rule 14 & 15 below. Handicap will be based on 80% of the difference in each bowler's average and 220.
- Averages to be used will be the winter or composite average of the past two years, 2009-2010 or 2010-2011 season, as shown on Bowl.com. Bowlers who do not have a book average may use the highest current 21 game league average as of the previous week; in case of multiple entries this will be the week prior to the first week of bowlers' participation. If a bowler does not have a legal average, he or she may enter the tournament with a scratch average of 220. Only USBC certified averages may be used. Averages will be verified using Bowl.com, if composite average is higher than league average it will be used, if average is not listed on Bowl.com bowler must provide proper verification or bowl on a 220 average. If average is from a Sport League, it may be re-rated based on official USBC average adjustment chart. The 10-pin rule (319A-2) is not in effect for this tournament.
- The Tournament Director reserves the right to re-rate any average before the time the bowler participates in the tournament. Clark's Promotions tournament averages may be used in evaluating averages if the tournament average is more than 15 pins higher than book or composite average.
- USBC RULE 319C WILL APPLY TO ALL PARTICIPANTS FOR RE-RATING REQUIREMENTS. USBC RULE 319E CONCERNING AVERAGE ADJUSTMENTS WILL APPLY TO ALL ENTRANTS. Rule 319-D shall not be enforced; no winnings verification will be required.
- It shall be each bowler's responsibility to verify the accuracy of his or her average whether submitted by the bowler, the team captain or others. Failure to use the correct average will disqualify their score if submitted average is lower than actual verified average. If the submitted average is higher than required, prize winnings shall be based on the submitted average. **USBC RULE 319A-3**
